INTERVIEW SUMMARY

Dear Sir:

At the Examiner's initiation, the Examiner and Applicant's attorney held a telephonic interview on July 6, 2005. During this interview, agreement was reached for the Examiner to combine claims 1 and 3 and cancel claims 3 and 10-19 without prejudice with an Examiner's amendment. This telephonic interview concluded Examiner initiated telephone conversations and/or exchanged voice mail messages that occurred on June 20, 21, 22, 24 and 29. These communications concerned the same subject matter as was agreed to in the and July 6 2005 telephonic interview. Applicant thanks the Examiner for the telephonic interview. For the record, it is Applicant's position that the full set of claims as pending prior to the Examiner's

amendment is patentable. Applicant agreed to the Examiner's amendment in order expedite prosecution of the application.

Respectfully submitted,
